# WHAT WE OFFER

**Port Yves Palace: Investment in a 5–star hotel on Koh Rong Island, Cambodia.**

Port Yves Palace is the first 5–star hotel of its kind on Koh Rong Island, a 9–story establishment overlooking the Gulf of Thailand. This investment includes full ownership of apartments in a beachfront hotel with a 90–meter private beach and amenities such as a spa, swimming pools, bars, VIP and conference rooms, and exclusive shops.

Apartments ranging from 27 m<sup>2</sup> to 79 m<sup>2</sup> are built on land with full freehold ownership, ensuring complete legal security for investors. Koh Rong Island, rapidly gaining popularity among tourists, stands out for its increasing property values, making it an attractive investment destination.

Port Yves Palace is designed for international guests and professionals, offering networking opportunities in an exclusive setting. Inspired by European hospitality traditions, it emphasizes service quality and a comfortable lifestyle.

2027

# INVESTMENT SECURITY

## Investor-Led Management Ensuring Stability

The main investor also serves as the long-term operator, optimizing construction and operational costs to secure investment returns and maintain the property's quality over time.

## Financial Forecasts with Risk Management

The projections are based on a conservative annual occupancy rate of 50%. At an occupancy rate of 60–70%, the return on investment increases significantly, with additional profits shared among investors.

## Strategic Location

Located on the thriving tourist coastline connecting Thailand and Vietnam, Koh Rong Island benefits from significant capital inflows and strong security, creating an ideal environment for long-term investment growth.

The interiors of Port Yves Palace blend **refined elegance with modern comfort**. Rich textures, warm earthy tones, and noble materials such as leather, wood, and stone create a timeless, subtly luxurious atmosphere. Thoughtfully designed spaces foster intimacy and relaxation, while carefully selected details pay homage to artisanal traditions in a contemporary interpretation.

# ECONOMIC DRIVERS SUPPORTING THE INVESTMENT

ECONOMY, TOURISM, AND GROWTH POTENTIAL

## INTERNATIONAL TOURISM GROWTH

International tourism revenue in Cambodia is projected to grow from \$4.6 billion in 2020 to \$23 billion by 2029, **nearly a fivefold increase**. This highlights tourism's vital role in the economy and positions Cambodia as an attractive destination for hospitality-related investments\*

## BUSINESS-FRIENDLY ENVIRONMENT & ECONOMIC GROWTH

Cambodia offers low operating costs for businesses, including minimal taxes, and no social security fees, creating highly favorable conditions for entrepreneurs. Economic growth is further driven by **significant capital inflows** from Japan, China and Western corporations\*

## STRATEGIC DEVELOPMENT

Koh Rong, Cambodia's largest connected island, is served by 5 transport carriers from the mainland. Recognized as a key tourism hub alongside Angkor Wat, the island is set to become a national showcase for Cambodian tourism. Infrastructure development, initiated by a 2018 contract, includes roads, power grid expansion, and an airport.

## IIM CAPITAL HOLDING

A European investment company with a Polish–Swedish management team, led and founded by Iwona Kmiecik— an experienced investor actively developing projects on Koh Rong Island and across Cambodia.

IM Capital Holding offers not only proven expertise but also strong investment management and execution capabilities for ambitious projects in the rapidly growing markets of Koh Rong and Cambodia.

Additionally, company's portfolio includes the luxurious Apsara Resort on Koh Rong —a project already generating returns, demonstrating the effectiveness of the company's strategy.

# PRICING & INVESTMENT ADVANTAGE

Apartments at Port Yves Palace are priced starting at **USD 3,500 per square meter (net)**, fully stylishly furnished according to the standards of a 5-star hotel.

Investors benefit from a 12% annual return on investment and a payback period of under 9 years, outperforming investments in Europe (5–9% ROI, 10–17 years PP with full ownership) and Bali (7–12% ROI, 9–14 years PP with leasehold rights).

In addition to financial gains, investors receive one week of vacation per year, combining profitability with personal enjoyment.

With direct waterfront access and a 90-meter private beach— a rarity in Southeast Asia—Port Yves Palace offers attractive opportunities in an emerging market.
